Billerica Zoning Recodification: Table of Dimensional Regulations
Third Reading Draft; January 4, 2025

- (1) Side yard shall be increased to 50 feet on any lot that abuts land in a residential district.
- (2) The Green Strip and Green Space requirements in the residential districts apply to nonresidential and nonagricultural uses only and not to principal and accessory residential uses. See Sections 7.3E-F for specific requirements.
- (3) These requirements also apply in the following special districts: Refuse Transfer Station, Private and Public Dumping Ground, Alcohol and Drug Rehabilitation Hospital, Composting, and Adult Entertainment Districts.
- (4) In Industrial Districts, the required front setback may be reduced to 40 feet along industrial roads. The front yard must be used for landscaping, pedestrian walkways, and curb cut access driveways only.
- (5) The highest roof surface shall not exceed 55 feet above the grade plane.
- (6) These yards are reduced in the Historic Overlay District
 - (7) The maximum height shall be twenty-eight for lots with areas of 7,500 square feet or less.
